Product Information

AVENO STOU 10W-30

0002-000115

Description

AVENO STOU 10W-30 is a modern multi-purpose oil for agricultural machines, excavators and construction equipment. AVENO STOU 10W-30 is manufactured from high-quality base oils and selected additives and can be used equally in engines, gearboxes and hydraulic systems of modern agricultural machinery.

Instructions for use

Quality classification

AVENO STOU 10W-30 is suitable for year-round use as an engine oil for petrol engines and aspirated and turbo-charged diesel engines, as a gear oil (including wet brakes) and as a hydraulic oil in tractors and agricultural machinery. AVENO STOU 10W-30 can also be used as a compressor oil.

Box and the		

Properties

- A high dispersion and detergent capability
- · High oxidation stability
- A high and stable viscosity index

- Outstanding high-pressure properties
- Protection against wear, corrosion and foaming
