## AVENO Gear Super LS SAE 90 GL-5

0002-000198

### Description

AVENO Gear Super LS SAE 90 GL-5 is an oil for manual gearboxes designed on the basis of mineral oils and special additives. At high temperatures, an optimal gear lubrication is ensured. Due to the special additives, AVENO Gear Super LS SAE 90 GL-5 is suitable for use in limited slip differentials (limited slip properties). AVENO Gear Super LS SAE 90 GL-5 reduces friction and prevents wear and corrosion. Even under extreme dynamic conditions, a stable oil film is guaranteed for the lubrication.

### Instructions for use

AVENO Gear Super LS SAE 90 GL-5 guarantees proper lubrication, even in self-locking, hypoid-geared gearboxes. The operating instructions of the automobile and gearbox manufacturer must be observed.
