## **Product Information**

## AVENO Gear Extra 85W-140

0002-000203

## Description

Appearance

Pour Point

Density at 15°C

AVENO Gear Extra 85W-140 is a multigrade hypoid gear oil of highest stability and oxidation resistance. Its EP additives show a stable lubricating film even at the highest load on the tooth flanks and a high sliding component and reduce wear. AVENO Gear Extra 85W-140 is mainly used in heavily loaded hypoid gears with extreme operating conditions. It is the ideal transmission fluid for differential and differential in the rear axle.

## Instructions for use

AVENO Gear Extra 85W-140 is used in maximum duty, hypoid-geared gears such as axle drives and manual gearboxes.

Quality classification			
Specification			
• API GL-5		• MIL-L-2105 D	
Recommendation			
• DAF		• MAN 342 Typ M1	
• Ford M2C-9002-A		• Scania STO 1:0	
• GM		• VOLVO 97310	
Mack GO-CS 3000B, Mack GO-G		• ZF TE-ML 05A/12E/16D/21A	
Properties			
No foam formation		Very good oxidation stability	
Low pour point		Protection against rust and corrosion
